> Government Gazette, the catalogue of the land sale advertised to take place on the 11th proximo. The first lot is we presume the old mode of this announcement, and then let him at the head of affairs! What has a government sale of land to do with the realisation of a large building in the very centre of the town? Why could it not be properly advertised and described? Does it not appear unguise valuable property in the folds of a printed catalogue of land? It is deemed in England fraudulent to degree to put up property 'to the hammer without a due and a proper aucomment, and many underwriters will not acknowledge claims for damaged goods, until they have been furnished, with proof of suffi-

cient notice of the sale having been made.

TEROFESSOR WHEELER, would respectfully atirnol the attention of the Hongkong Public to the importance of having the Hair Cut. and Dressed in an Artistic manner and style. Appropriate to the Individual is the cut of the Hair : there can be no fixed or prevailing fashion without destroying almost universally the harmony of the fout entertile. Indeed as diverse at is the contour of the human head and facial outline, just sopeculiar should be the trim and arranges ment of the Hair. This fact is noted upon by only those Hair Outters who possess an inherent judgment in matters of taste, outlivated and improved by incessant study and application. Of this rare class, Professor WHEELER, humbly claims to be one, and the Only One in this Colony, and he nedeatly but confidently invites all who may be distrustful of his ability to give him at least a trial before pronouncing an adverse opinion. He Agencies are established at the several ports may be found at all hours of the day in his Apartments adjoining the Private Entrance (
